**June / July 2008**

### *Early Intervention Program at Carson Street*

It is time to apply for enrolment for next year in our specialised Early Childhood Education for kindergarten and pre-primary aged students.

Our well planned and resourced curriculum ensures learning opportunities in the following areas:

- Communication
- Literacy
- Numeracy
- Social Interaction and Play Skills
- Concept Development
- Fine and Gross Motor Development
- ♦ Self Management Skills

The program aims to maximise early learning opportunities through specialised strategies that support, promote and develop skills, behaviours and social confidence in young children.

A range of activities and experiences provides each child the opportunity to succeed in an atmosphere of care and feeling valued.

An informal information session is planned for early next term if you are interested. Please contact the school for further information.

### **From the Principal's Desk ....**

Once again we reach the end of another busy school term. Student portfolios will be arriving home at the end of this week and it's rewarding to read about the progress our students have made and the exciting activities they have been engaged in.

#### **School Council**

The school Council is an incorporated body with members elected by the P&C. It's role is to work with the principal to determine school direction, to identify and implement priorities, and to provide the best blend of educational opportunities for students at our school. It aims to improve all aspects of the school in an attempt to make the school as good as it possibly can be. Current members are: Liz Green – P&C Rep, John Exeter – Principal, Ros Hamling – Deputy, Jenny Cocker – Education Staff, Julie Holding Sec/Community, Ben Wyatt MLA, Michele Fletcher Community Development Officer Town of Victoria Park, Darryll Ashworth Businessman, Les Ozsdolay – Community. Ideally we would like to have at least one other parent join this supportive group. Please let the P&C President Liz Green know if you are interested.

On behalf of the staff I would like to wish our families and supporters of our school a very safe and enjoyable holiday

**John Exeter**

### **Notice Board**

#### **Pupil Free Day**

*Monday 21st July*

Staff will be involved in a Communication workshop presented by Yvette, our Speech & Language Specialist, and hold their team planning meetings.

New school jumpers

- ◆ Size 4 Windcheater \$15.00
- ◆ Size 10 Windcheater \$15.00
- ◆ Size 12 Zip Jacket \$18.00

### **GUESS WHO??**

### Our Resource Library

Our tired old library has undergone a transformation and is now operating as a wonderful resource centre, thanks to the tireless efforts of Ros (Deputy) the brains trust, Les (Technical Officer) the make-it-happen guy, Mim (EA/Library), Ann (EA/IT Support) and Jude (Library Officer, retired). The new carpet, a donation through Darryll at Metier Consulting and the painting by Les both made a huge difference. The library can now be accessed by staff doing research, planning and resource borrowing.

Each class comes into the library once a week for a story session and for book borrowing. We have also purchased some up to date reading books for our students on a reading program and teachers are able to take out bulk loans for their classrooms.

Mim organised a day for National Story Time on Wednesday 21st May. Each class came into the library to listen to the story of Arthur, an ordinary brown dog who gets up to all sorts of tricks in the pet shop. The students had a great time hearing the story and participating with 'Arthur the Puppet'.

They all took a picture back to class to colour which was displayed in the library.

The students will also be participating in National Book Week, both in our library and in the local library at the Town of Victoria Park. Some of the classes pay regular visits to the local library where they learn further skills, like the borrowing system. These are skills are developed and enhanced as part of their Community and Recreation Access programs.

Happy Birthday to you ...

Compleanôs Feliz ...

Ben	Rm 9	11th July
Jayde	Rm 2	12th July

## Speeding in school zones

We have received a letter from the Children's Crossing and Road Safety Committee asking us to remind parents of the danger of speeding in school zones.

Not only is it breaking the law, it is putting at risk the safety of all our students, families, staff and community members

We also please remind parents that enter the school through the driveway and gates to please **close the gates** behind them **at all times**.

Thankyou

### SPEECH (WA) Inc

is an independent, non-profit, non government body of volunteer parents and professionals established to improve the education of children with speech and language impairment and to support the parents and families of these children.
